Inspiring all girls to be
strong, smart and bold™

Bill,

Thank you for donating your services to the 2010 Celebration Luncheon. Our ability to work with local businesses such as yours make a huge difference in our ability to serve more girls with fewer dollars spent out of pocket. We had an overwhelming response this year with 49 table sponsors, 23 patrons and 840 guests. We are awaiting final numbers but I think our net revenue is going to be excellent. What a difference your support will make!

Since the economic downturn, requests for scholarship dollars have increased more than 10% at Girls Inc. This year, 52% of our girls are on scholarship support – and the vast majority of them require 90% or more of our modest monthly tuition fee. Your Celebration Luncheon support will help us fund these scholarship needs. Thank you, thank you, thank you from all of us.

I hope you enjoyed meeting our girls and hearing their compelling stories and glorious dreams. At the end of the day, our girls and the adults who care about them all want the same thing – to provide the girls with a safe and happy life and the opportunity to become strong, smart and bold women. You are helping to make that happen.

With gratitude,

Stephania

Stephania Feltz
Executive Director

*Baskerville outdid themselves again
with this year's design! Thank you
for making us look great!*

**"Success breeds success".
Our 5th straight year of association
with Girls, Inc. it keeps getting better
for our two entities and the community.
Thanks for your confidence in us, Girls, Inc!**
